

The Kansas Version (from I-435 and Hwy 69)

Get on Hwy 69 and travel south to Louisburg.
Take the Louisburg Exit (Hwy 68) and go left (east).

OR, if you're in Olathe and closer to Hwy 169, you can go down 169 to Hwy 68 and cut over (east) to Louisburg.

Go east (on Hwy 68) through the city of Louisburg.
4 miles east of Louisburg, you'll cross RR tracks into MO.
Shortly after the tracks is a T Intersection.
Turn right (south) on Hwy D.
(Hwy D is Holmes Road, but not marked as such).
Look at your odometer (at this point) & travel south on HWY D for 7 miles to JCT 00.

At JCT 00 you'll notice a fancy ranch (fenced in) called Dreamland Ranch. This is quite impressive!
(but no, it's not Timber Creek.....yet).

Look at your odometer and turn left (east) on JCT 00.
Go 3.7 miles to Lacy Road. (Lacy is a gravel road).
Turn left (north) on Lacy for .8 of a mile to the 2 green mailboxes (marked 325th).
This is our driveway. Turn right (east) down drive.

You'll see a gorgeous cedar home as you enter our drive — sorry — that's not Timber Creek either.
Continue down drive (past the cedar home) and you'll eventually approach a fork in the road.
Stay LEFT, following the Timber Creek sign.
This will take you on a winding path to our parking area.
